

Trópicos Verdes

Built

Passiflora

Trópicos Verdes Lot - 28

This custom-built Spanish-colonial style home in Tropicos Verdes is ready for occupancy.

Situated on a .5 acre lot bounded by a creek and lush native vegetation, the home offers 2,500 sq. ft. of living space.

The great room with spectacular vaulted ceilings opening to the pool terrace and gazebo beyond is literally the heart of the home. The 3 primary suites and Kitchen/Laundry wing branch out from there.

The home is designed to promote gathering, while providing an abundance of privacy and personal space, making this the perfect property for an extended family or group of friends.
